PLEASE QUOTE IN REPLY NO. 13565 *44/925/191-1* Mittagong, 1st July 1944.

Sir,

I have the honour to submit the following matter:

I have received a letter from the international Red Cross Committee in which they say that they have been advised by the British Red Cross that Dr. Blom, Delegate of the Netherlands East Indies Red Cross, has left London for Australia and has now his headquarters in Melbourne. The I.R.C.C. has been requested to forward from now on to the Australian Red Cross in Melbourne, for transmission to Dr. Blom, the telegraphic lists of Dutch Prisoners of War and Civilian Internees in the Far East, and, in agreement with the Netherlands Authorities, the I.R.C.C. will from now on adopt this procedure.

On the other hand, the British Red Cross informs that when Dr. Blom was in London he took note of all reports established by our Delegates in the Far East on the camps which contained Dutch Prisoners of War and Civilian internees. These reports have been transmitted by our Delegate in London to the British Authorities who apparently passed them on to the British Red Cross.

The I.R.C.C. informs me that Dr. Blom desires that the same procedure be adopted during his stay in Australia. However, the I.R.C.C. is not sure whether the Australian Red Cross receives all the reports which I receive from Geneva, and which I have the honour to forward to you.

I have approached Dr. Blom on this subject and he informs me that he would very much appreciate receiving the reports of the I.R.C.C. Delegates concerning the visit to Prisoners of War and Internment Camps in Japan or Japanese Occupied Territory.

He further informs me that he has discussed this matter with the Netherlands Minister who agreed that the best procedure might be for me to send him a copy of all reports received by me from Geneva. As the Representative of the Royal Netherlands Government he could then decide which of these reports will be forwarded to the Netherlands Indies Red Cross.

Finally, Dr. Blom points out that he had been informed by the Netherlands Indies Red Cross Delegate in London that he

did not forward these reports to Dr. Blom because he presumed that Dr. Blom would get them in Australia.

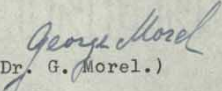

As the procedure, as approved by you, is for me to transmit all the reports which I receive from the I.R.C.C. to you exclusively, I have the honour to request your ruling in this particular matter, namely, whether I have to forward a copy of the reports direct to Dr. Blom myself, or whether you would be good enough to take this matter in hand.

If an additional report will be needed for transmission to Dr. Blom, I will have to ask the I.R.C.C. to send me an additional copy. until such time as I do get an additional copy, it would be possible for me to transmit to you only the usual number of copies as heretofore.

I have the honour to be,

Sir,

Your obedient servant,

(Dr. G. Morel.)

The Honourable Dr. H.V. Evatt,
Minister of State for External Affairs,
CANBERRA, A.C.T.
